SC/ST CELL

Scheduled Castes (SC) and Scheduled Tribes (ST) have been identified as the two most backward groups of Indian Society. They include all the castes, races or tribes, which have been

socially, economically and educationally backward. The cell has been established to support and

to bring students from such communities into the mainstream.

The SC/ST cell of the university was established in 2021 with the purpose to empower the SC/ST students in the university. The university takes special interest in facilitating financial support to students from these communities from government agencies and other sources. They are also encouraged to enroll for career orientation programs, which would equip them with the necessary skills to choose a career option.
