Date : 7/10/2025

## University Action Plan

### 1. Academic Excellence

- **Curriculum Development:** Regularly update curriculum as per industry standards, NEP 2020, and global trends.
  - **Teaching-Learning Methods:** Adopt ICT-enabled learning, smart classrooms, blended learning, and MOOCs.
  - **Faculty Development:** Conduct FDPs, workshops, and encourage research publications.
  - **Outcome-Based Education:** Ensure program outcomes and course outcomes are mapped and achieved.
- 

### 2. Research and Innovation

- **Research Promotion:** Establish Research & Development (R&D) cell and incentivize quality publications.
  - **Collaborations:** Strengthen industry-academia partnerships and international collaborations.
  - **Innovation & Startups:** Develop incubation centers, innovation hubs, and entrepreneurship cells.
  - **Patents & IPR:** Encourage faculty and students to file patents and protect intellectual property.
- 

### 3. Student Development

- **Holistic Growth:** Organize cultural, sports, and skill-development activities.
  - **Placement & Career Support:** Strengthen the Training & Placement Cell, industry internships, and career counseling.
  - **Equal Opportunity:** Provide support for socio-economically disadvantaged groups and differently-abled students.
  - **Mentorship:** Implement effective student mentoring and counseling systems.
-

## 4. Infrastructure and Facilities

- **Digital Infrastructure:** Develop smart classrooms, virtual labs, and e-library access.
  - **Physical Infrastructure:** Upgrade laboratories, auditoriums, and hostels.
  - **Accessibility:** Ensure barrier-free campus for differently-abled students.
  - **Green Campus:** Implement eco-friendly practices, renewable energy, and waste management.
- 

## 5. Governance and Administration

- **Transparency:** Adopt e-governance for admissions, examinations, and finance.
  - **Quality Assurance:** Strengthen IQAC (Internal Quality Assurance Cell) for continuous improvement.
  - **Policies:** Implement gender sensitization, grievance redressal, and anti-ragging policies.
  - **Accreditation:** Prepare for NAAC, NBA, and other national/international accreditations.
- 

## 6. Community Engagement

- **Extension Activities:** Encourage NSS, NCC, and community service projects.
  - **Social Responsibility:** Conduct awareness drives on health, environment, and literacy.
  - **Alumni Engagement:** Build strong alumni network for mentorship and resource mobilization.
- 

## 7. Financial Sustainability

- **Resource Mobilization:** Seek government grants, CSR funds, and research funding.
- **Entrepreneurship:** Encourage faculty consultancy and industry-funded projects.
- **Efficient Utilization:** Ensure proper budgeting, auditing, and financial planning.
