Training and Placement Cell and Activities

The **Training and Placement Cell** plays a pivotal role in shaping the careers of students by bridging the gap between academia and industry. The cell works actively to equip students with the necessary skills, knowledge, and confidence to face competitive recruitment processes and excel in their professional journey.

Responsibility of Training and Placement Cell

- To enhance employability skills through training programs, workshops, and seminars.
- To facilitate campus recruitment drives and provide career opportunities with reputed organizations.
- To guide students in career planning, higher education, and entrepreneurship.
- To maintain strong industry–institute relationships for internships, projects, and placements.

Dear Placement Officer,

I hope this email finds you well.

My name is **Aditya Shukla** from **Human Resource Department**, and I am writing to you on behalf of **Shakti Agro Technology**, a leading manufacturer of agricultural implements and machinery. Our company is committed to empowering farmers through innovative and high-quality agricultural tools. We've attached our company brochure for your reference, which provides a detailed overview of our work and mission.

We are highly impressed with the caliber of students at Junagadh Agricultural University and are keen to conduct a placement drive at your esteemed institution for your Current year students and recent graduates. We believe your students' academic background and practical skills would be an excellent fit for our team.

We are seeking to fill the following positions:

- **Assistant Sales Manager** (2 Positions): For our Punjab and Gujarat territories. This role involves managing the entire state's sales operations.
- **Store Assistant**: Responsible for store keeping and data entry.
- **Digital Marketing Executive**: To handle our digital outreach and marketing efforts.
- **Production Assistant**: Specializing in plough manufacturing.
- **Product Manager**: To spearhead our business expansion initiatives.
- **Design Engineer**: Having Knowledge of Solid Works and AutoCAD Software

We are confident that a partnership with your university would be mutually beneficial, offering your students valuable career opportunities while helping us find the next generation of talent.

Please let us know your availability for an introductory meeting or if you would require any further information from our end.

Thank you for your time and consideration. We look forward to the possibility of collaborating with you.

A BRIEF INTRODUCTION

shakti
AGRO TECHNOLOGY

OUR STORY

Shakti Agro Technology was founded by Mr. Mahendra Makwana in 1986 and was also known as Jay Shakti Engineering Works, at this early age there were no other plough manufacturers present in India.

Once, Mr. Mahendra received an England manufacturing-based plough as scrap from a local farmer which uplifted his mind to bring such kind of Agriculture Equipments to local farmers to that can make their agricultural business easier and cost-effective.

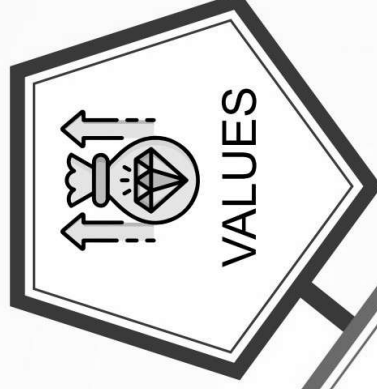

The first plough by Mr. Mahendra was designed under his uncle's guidance - tailored according to the Indian land and farmers' requirements and gradually he established a range of Agriculture equipment by the count of 15 products. By 2011, Mr. Mahendra established "Shakti Agro Technology" and developed 17 various and advanced versions of hydraulic reversible ploughs while having 12 models approved by Junagadh Agriculture University.

**We Are India's Largest Plough Manufacturer , Delivering Innovative And High-quality
Agricultural Ploughing Solutions**

VISION, MISSION AND OUR VALUES

Our vision is to be a global leader in agricultural technology, setting the standard for innovation, sustainability, and customer-centricity. We aspire to create a future where advanced, eco-friendly farming practices contribute to a thriving, sustainable world for generations to come.

Respected Sir/Madam,

We would like to introduce you to the **Crack-ED** world where skills take higher precedence over degrees and we believe that the most important input to succeeding in a job is to have the right skills.

Crack-ED is a new business vertical of Girnarsoft Private Limited, the parent company of **CarDekho**.

We have an opening for freshers and the current program we are reaching out to is the "Girnar Young Champion Program" which will have 3 steps of inducting the student as a Business Development Executive and Business Loan Manager in CarDekho Group as well as our corporate partners like Upgrad, Airtel, Zomato, Wipro, Ecom Express, Niva Bupa.

FOR BATCH 2024 :

S no.	Profile Name	Company	Eligibility	Package	Location
1	ZAAP associate	Zomato	Graduate	4.0-4.5 LPA	Gurugram
2	Business Development Executive	Reside Network	Undergrad / Graduate	2.5 - 3.0 LPA	Gurugram
4	Customer support specialist	Wipro	Graduate	3.0-3.5LPA	Gurugram
5	Order to Cash	Accenture	Graduate	2.45 - 2.65 LPA	Gurugram / Noida / Jaipur / Bangalore

Selection Criteria:

1. F2F / Virtual Interview

Sharing JDs also for the same.

Feel free to let us know how we can take this forward

- We can have a session in College for students.
- Selected candidates will start training from the respective dates mentioned above.

Warm regards,
