

Vice Provost

It is my privilege to extend a warm welcome to all students, faculty, staff, and visitors to our university community. As Vice Provost, I take great pride in being part of an institution that is committed not only to academic excellence but also to holistic growth, innovation, and inclusivity.

Surendranagar University university has always believed that education is more than the pursuit of knowledge—it is the empowerment of individuals to think critically, act responsibly, and contribute meaningfully to society. We strive to foster an environment where intellectual curiosity thrives, diversity is celebrated, and each student is encouraged to reach their fullest potential.

In today's rapidly changing world, we remain dedicated to equipping our students with the skills, resilience, and vision needed to address global challenges and seize emerging opportunities. Through world-class teaching, cutting-edge research, and strong industry partnerships, we aim to prepare graduates who are not only career-ready but also socially conscious citizens of the world.

As we look to the future, we will continue to strengthen our academic programs, expand our research initiatives, and enhance our support services so that every member of our university community feels valued and inspired to achieve excellence.

I invite you to engage with our vibrant campus, explore the opportunities we offer, and join us in shaping a future defined by innovation, integrity, and impact.
