

Shiv Shakti Ashish Trust

Shiv shakti Ashish Trustt have an enthusiastic desire to start varied institutes in the name of Surendranagar University which offers a broad slate of academic programs and professional and non professional courses due course of time like Degree Engineering, Diploma Engineering & Master of Engineering, Arts, Science, Commerce, Pharmacy, Law. The institute had acquired recognition in the region of Saurashtra as the hub of providing excellent education in the field of professional courses like Engineering and Technology, Arts Science and Commerce.

The primitive purpose of the institute is to offer a progressive, interdisciplinary, hands-on education system. Institute pivotal motive is to prepare students with the breadth and depth of knowledge to become “pillars of the globalized evolution.” The aim of our Management team is to focalize on one kernel of gravity: the people who are committed to making the globe a better place ethically as well as educationally.
